Company Overview

COMPANY OVERVIEW

Abdulmohsen Al-Tamimi Group has been an active participant in national development since 1958, and we, at **Musanadah**, represent the logistical arm of the group. We provide integrated logistics services and equipment rental that enables our clients to carry out seamless operations. **Musanadah** was established to take on the responsibility of a range of vital services, including land transportation, equipment rental, cargo shipping, project logistics, customs clearance, storage, heavy transport, and shipping facilities.

OUR HISTORY

After the establishment of **Abdul Mohsen al Tamimi Group** in 1958, the country began to develop rapidly and in alignment to the national development, the group grew exponentially. The group was established based on a value to contribute to the nation's development. **Musanadah** emerged not just as a logistical arm but as a driving force behind the success of Abdul Mohsen Al Tamimi Group and a catalyst for the development of Saudi Arabia's logistics and transportation sector. This vision, combined with unwavering commitment and dedication, transformed Musanadah into the trusted partner it is today, providing superior logistical solutions and driving the growth of the nation it serves.

OUR EXPERIENCE

Musanadah is a reliable transportation company in Saudi Arabia that prides itself on its unwavering commitment to responsibility, integrity, and loyalty. With a team dedicated to providing safe and efficient transport solutions, you can trust that your journey is in good hands. Trust, professionalism, and customer satisfaction are at the core of everything we do at **Musanadah**.

 **VISION**

The vision of our company is to become a leading and highly successful transportation and logistics company in Saudi Arabia. Our primary focus is on achieving gradual improvement in our market share by offering competitive pricing and delivering superior services to our customers.

 **MISSION**

Our mission is to provide the highest level of transportation services and equipment rental that meet the innovative needs of our customers, with safety and timely delivery services in a cost effective proposition.

 **VALUES**

The company aims to maintain and grow on its high profile in the market by:

SOCIAL RESPONSIBILITY

Together with our government, we contribute to social responsibility by adhering to the highest standards in logistics, equipment rental, and transportation services.

HONESTY

We uphold the highest standards of honesty in all our interactions, fostering trust and transparency with our clients, partners, and community.

SAFETY

We are keen to adhere to safety standards to protect our employees, our customers and the communities in which we operate.

QUALITY

We are committed to the utmost quality through a record of proven certifications and awards that ensure quality that we offer.

INTEGRITY

We adhere to the highest ethical standards by fulfilling our obligations, laying the foundations of transparency, and treating everyone with confidence, empathy & respect.

EXCELLENCE

We strive for excellence in every aspect of our work, consistently exceeding expectations through continuous improvement and innovation.

VISION
MISSION
VALUES

ALIGNMENT WITH THE ASPIRATIONS OF THE KINGDOM

At Musanadah, we are committed to supporting localization efforts in the Kingdom of Saudi Arabia and promoting the development of local content. We give priority to employing and developing Saudis in various roles within our company. We actively participate in the Iktifa program, and strengthen partnerships and cooperation with local companies, suppliers and contractors, which it contributes to the growth and sustainability of the Saudi economy.

We understand the importance of continuous learning and development and invest in training programs for our employees. We provide a comprehensive training framework to enhance skills, promote professional growth, and ensure that our team remains at the forefront of industry advancements.

VISION 2030

Musanadah are working hard to align their business with the Kingdom of Saudi Arabia's Vision 2030. We seek to achieve the goals of this vision by implementing projects that contribute to economic development, and strengthening the infrastructure in the Kingdom.

We are working to diversify the Saudi economy through developing the construction and real estate sector. We contribute to creating new job opportunities for Saudis and developing their capabilities in the construction industry. We pay great attention to employing and developing Saudi talents in Various roles within our company.

In addition, we enhance the infrastructure in the Kingdom by implementing projects to build and develop cities and residential and commercial areas. We seek to improve the quality of life and provide a sustainable environment for the communities in which we operate. We support sustainable development and strive to preserve natural resources and the environment.

We ensure that green construction practices and sustainability are adopted in all our projects. We are working on establishing the balance between economic development and environmental preservation.

SERVICES

ROAD TRANSPORTATION

Our road transportation service offers last-mile delivery throughout Saudi Arabia using an expansive fleet, qualified drivers. We provide a wide range of transport solutions with specialized equipment and online tracking.

Our operations follow global best practices, ensuring safe and reliable deliveries while reducing costs and improving delivery times.

SERVICES

EQUIPMENT RENTAL

Our equipment rental service specializes in providing heavy-duty vehicles that are specially designed for construction work and earthwork operations.

We offer a comprehensive range of equipment that is available for rent, ensuring that our customers have access to the right equipment when they need it. Our team of experts provides integrated technical solutions and world-class service to meet all our clients' needs, including heavy haulage, erection, and heavy lift transportation. With our rental service, our customers benefit from reduced capital expenditure, increased flexibility, and improved efficiency. We ensure that all our equipment is regularly maintained, ensuring that our customers have access to reliable and safe equipment. With our commitment to quality and customer satisfaction, we strive to provide our customers with the best possible equipment rental solutions.

SERVICES

HEAVY TRANSPORTATION

Our heavy equipment hauling service offers load tracking, specialized transport, and customized solutions for local and long-haul shipments. We use the latest technology and equipment to ensure safe and reliable operations.

Providing our customers with real-time updates and flexible transport options. Our commitment to quality means we are always improving our services to offer the best possible heavy equipment hauling solutions.

SERVICES

PROJECT LOGISTICS

Our project logistics service is specifically designed to cater to leading engineering, procurement, and construction (EPC) companies, enabling them to manage their project timelines effectively.

We specialize in providing end-to-end logistics solutions that are tailored to meet the unique needs of each project. Our team of experts has extensive experience in managing complex logistics operations, ensuring that all aspects of the project are coordinated seamlessly. We work closely with our customers to ensure that their projects are delivered on time, within budget, and with the highest levels of safety and quality. With our project logistics service, our customers can benefit from reduced risk, improved efficiency, and increased flexibility, enabling them to focus on their core business activities and drive growth.

SERVICES

CUSTOMS CLEARANCE

Our customs clearance service is an integral part of our end-to-end logistics solutions that we offer to our customers. We specialize in land, and sea services, providing seamless movement of goods across the globe.

With extensive expertise in project logistics, we cater to a wide range of industries, ensuring that we deliver safe and efficient express delivery operations. Our customs clearance facilities are available in-house at many ports in the Kingdom of Saudi Arabia, enabling us to clear goods quickly and efficiently through customs. We adhere to global best practices, ensuring that every minute counts, and our customers' goods are delivered on time and without any complications. With our customs clearance services, our customers can rest assured that their shipments are in safe and capable hands.

SERVICES

WAREHOUSING

We offer both dedicated and multipurpose warehouses in the Kingdom of Saudi Arabia to cater to the unique needs of our customers. We provide end-to-end solutions, including stock warehousing and delivery.

Enabling our customers to focus on their core business. Our warehouses are equipped with the latest technology and are designed to ensure maximum efficiency and security. Our spare parts management service provides comprehensive inventory management, from receiving and storing to dispatching parts when needed. With our warehousing solutions, our customers can benefit from reduced storage costs, increased flexibility, and improved inventory accuracy. Our team of experts ensures that all goods are handled with the utmost care, from receiving to dispatching, providing our customers with peace of mind knowing their inventory is in safe hands.

SERVICES

FREIGHT FORWARDING

Our freight forwarding service provides a comprehensive range of logistics solutions to our customers. From receiving and storing products to assembling and dispatching them for last-mile delivery,

We offer end-to-end support to ensure the seamless movement of goods. Our team is equipped to handle all aspects of the logistics process, from picking and packing orders to marshalling them for dispatch. We utilize barcode technology to ensure efficient and accurate tracking of products throughout the supply chain. Whether our customers require shipping domestically or internationally, we strive to provide them with reliable and cost-effective solutions that meet their unique needs.

SERVICES

TERMINALS

Our terminal service offers a complete range of services, including loading and unloading of loading units such as containers, swap bodies, and semi-trailers. We also provide storage options and claim settlements in the event of damage to containers or loads.

Our team of experts offers additional consulting services in the field of customs clearance, ensuring that our customers have access to comprehensive solutions that meet their unique needs. With our terminal services, our customers benefit from increased flexibility, improved efficiency, and reduced risk. We use the latest technology and follow global best practices to ensure that all our operations are safe, reliable, and efficient. Our commitment to customer satisfaction and quality means that we are always looking for ways to improve our services, ensuring that our customers have access to the best possible terminal solutions.

Health & Safety procedures

HEALTH & SAFETY PROCEDURES

At Musanadah, we prioritize the safety and well-being of our employees, subcontractors, clients, and the public. Our unwavering commitment lies in establishing and maintaining secure working environments across all our projects. Here are the fundamental health and safety measures we rigorously adhere to.

REGULATORY COMPLIANCE

We strictly adhere to all local and international safety regulations and industry standards, continuously updating our safety protocols to align with the latest best practices.

SAFETY TRAINING

Before commencing any project, our employees undergo comprehensive safety training encompassing hazard recognition, safe work procedures, emergency response, and the proper utilization of personal protective equipment (PPE).

SITE SAFETY INSPECTIONS

We conduct regular safety inspections at our construction sites to identify and promptly address potential hazards, ensuring strict adherence to safety measures.

RISK ASSESSMENT

Before initiating any project, we conduct thorough risk assessments to identify potential safety hazards, enabling the implementation of preventive measures and the development of robust emergency response plans.

SAFETY EQUIPMENT

We equip our employees with necessary safety gear, ensuring it remains in optimal working condition. This includes helmets, safety vests, gloves, safety glasses, harnesses, and more.
